**COMMONWEALTH OF THE NORTHERN MARIANA ISLANDS
DEPARTMENT OF COMMERCE
ALCOHOL BEVERAGE AND TOBACCO CONTROL DIVISION**

**PUBLIC LAW 11-75
H.B. NO. 11-336**

(ELEVENTH NORTHERN MARIANA ISLANDS COMMONWEALTH LEGISLATURE)

AN ACT

To amend 6 CMC Sections 3110 to increase the enforcement of and the penalties for the provision of tobacco to minors or the use of tobacco by minors; to require establishments selling tobacco products to be licensed by the Department of Commerce; and to charge the Department of Commerce, Department of Public Health, and the Department of Public Safety with enforcement responsibility; and for other purposes.

**BE IT ENACTED BY THE
ELEVENTH NORTHERN MARIANAS COMMONWEALTH LEGISLATURE:**

Section 1. Findings and Purposes. The Legislature finds that current medical statistics indicate that the use of tobacco is on the rise among the minors of the Commonwealth. Current law already prohibits the use or possession of tobacco by minors and provides further for penalties associated with the violation of this law, however enforcement is lax to the point of the statute being of almost no practical effect. This situation cannot continue in the face of the enormous medical risk faced by young smokers. The legislature finds that it is the responsibility of parents, community, and government to make it clear to store owners, store clerks, and especially to minors that the provision of tobacco to minors, and the possession or use of tobacco or tobacco products by minors is unlawful and is not in the best interest of the CNMI youth population. The purpose of this legislation is to increase enforcement and penalties, to require establishments selling tobacco products to be licensed with the Department of Commerce, and provide further deterrent for the sale of tobacco to youths and use of tobacco by youths, all in an effort to effectuate a decrease of tobacco use and addiction by minors.

Section 2. Amendment. 6 CMC 3110 is hereby repealed and reenacted as follows:

(a) It is unlawful for any person to give, or permit to be given, or in any way furnish to an individual under the age of 18 (a minor), any tobacco product. It shall not be a defense to a prosecution for a violation of this section that a minor acted, or was believed by the defendant to be acting, as an agent or representative of another. It shall be an affirmative defense that the defendant reasonably believed that an individual to whom tobacco products were given was eighteen years of age or older, if at the time of such gift, the defendant was shown a driver's license from any United States jurisdiction, a passport from any jurisdiction, or a United States military identification card by the individual, which was not expired and valid, and indicated the individual to be over the age of eighteen.

(b) It is unlawful for any person to sell, or permit to be sold to an individual under the age of 18 (a minor), any tobacco products. It shall not be a defense to a prosecution for a violation of this section that a minor acted, or was believed by the defendant to be acting, as an agent or representative of another. It shall be an affirmative defense that a defendant reasonably believed that an individual to whom tobacco products were sold was eighteen years of age or older, if at the time of such sale, the defendant was shown a driver's license from any United States jurisdiction, a passport from any jurisdiction, or a United States military identification card by the individual, which was not expired and valid, and indicated the individual to be over the age of eighteen.

(c) It shall be unlawful for any minor to smoke, use, or possess tobacco products, nor shall a minor be allowed to handle tobacco products in retail establishments as part of his or her official duties.

(d) Any person who violates this Section is guilty of a misdemeanor and upon conviction, shall be punished by a fine of not more than \$1,000 and/or up to one year in jail, or shall be required to perform no more than 250 hours of community service.

(e) For purposes of this section "tobacco products" shall mean any tobacco preparation, including but not limited to, chewing tobacco, cigars, cigarettes, any cigarette products, or snuff.

Section 3. Tobacco Control. Each license issued by the Department of Commerce, Alcohol Beverage and Tobacco Control Division, shall be valid only for twelve calendar months following its effective date. If the license fee is not paid on or before the expiration date of the license, the license shall be automatically suspended, but may be reinstated by the Secretary of Commerce within three days after payment of the license fee if payment is made within thirty-one days from the date of expiration.
